1 CAR PARK DURING SETUP AND BREAKDOWN

ARE YOU **AN EXHIBITOR, STAND BUILDER OR DELIVERY PERSON?**

- ◆ For security reasons and to keep things moving smoothly, all vehicles accessing the loading dock during setup and breakdown must be registered with our online registration system Logipass (<http://logipass.viparis.com>).
- ◆ Registration is free, and allows you to make deliveries and pickups at the loading docks during specific time slots, based on the type of vehicle and the specific access conditions for each event.
- ◆ Parking is restricted to the time required for delivery and pickup.
- ◆ **Outside of these time slots**, you can park your passenger car, LCV or HGV in the exhibitor and visitor car parks, which are available free of charge at selected Viparis venues¹.

USEFUL TIP

- To access the loading docks, remember to print out your Pass prior to your arrival.
- If you don't know the vehicle's registration number, you can file your online application and finalise it right before your arrival at the site.
- If you aren't sure of your exact arrival time, choose the closest time slot on the same day (without exceeding the time allotted), and the schedule will be modified when you arrive.
- Check the Logipass site for more information about access conditions.
